# BATHFORD WITH KINGSDOWN TWINNING ASSOCIATION

Newsletter 2 April 2019

## Dear Twinning supporters

We would love to see you on Saturday 27 April in the village café. There will be coffee, croissants or pain au chocolats for sale and the chance to meet other supporters of our twinning with Artannes-sur-Indres. Come and have a chat about any aspects of France or twinning that take your fancy. You can ask about exchange visits, give your ideas for more 'ententes cordiales' and even wonder about the 'B word' effect. Or just enjoy the coffee.

It would be great to meet you there.

If you can't make it, the next Rendez-vous will be held on June 22nd in the café.

## Following the AGM

We had a good evening at the AGM on March 24th, when 30 supporters got a flavour of past events and future plans, all accompanied by French wines and a selection of French cheeses.
