

INVITATION TO VISIT ARTANNES IN SEPT 2022

Bathford Twinning Association

Newsletter July 2022

Dear Twinning supporters

It's been sometime since we last communicated with you but I am pleased to tell you things are full steam ahead in our ongoing friendship with [Artannes-sur-Indre](#).

This coming weekend we are expecting around 35 visitors from Artannes to a packed activity programme, including 19 young people.

We apologise that we have not been able to open up much of the programme of activities to anyone other than the hosts but if you are not involved and would like to say hello, why don't you pop along to the recreation field in Bathford on Monday 11 July where we will be playing cricket from around 16:30. The Rugby Club are opening their bar from around 18:30, so you will be able to get a drink if you would like one. We will be having an order of fish and chips for our French guests and hosts but why not bring a picnic?

Another reason for contacting you now...

We have received a warm invitation from Artannes for anyone from Bathford to go for a visit around the weekend of the **17-18 September 2022**.

This weekend in France is similar to our Open Doors weekend, where all sorts of buildings and private institutions open up their doors to allow members of the public to look around. The Artannes Twinning Committee thought it would be a really interesting time to be there, with some different and maybe unusual places to visit. Hospitality is always wonderfully welcoming and accommodating and Twinning supporters old and new will be welcome.

If you would like to know more or express an interest in this visit, please contact us at:

info@bathfordtwinning.org.uk or call Maureen Breeze on 01225 852444, **no later than 31 July 2022**.
